- Procurement of Oil & Gas Tools and Equipments.

Mission & Vision.

MISSION

Our Mission is to engineer, procure, construct, install and commission quality and cost efficient oil and gas infrastructure in a safe environment.

To achieve these, we need;

- Peaceful host community relationship.
- Adherence to approved regulatory requirements.
- Competent and committed technical partnership.
- Competent and dedicated workforce.
- Credible HSSE plans and performance.
- Adequate funds to meet target delivery.
- Controlled activities and smooth communication flow with all stakeholders.

VISION

Our Vision is to be a leading Oil and Gas Services Provider with Excellent Reference in the Energy Sector.

CHAIRMAN/CEO

DR BENSON IGBOEJESI

Holds first class B.Com, and M.Com, degrees in Accounting & Auditing, and a Ph.D. in Finance & Banking – all from the University of Pune, India. The degrees were obtained in 1985, 1988 and 1991 respectively. Among other brilliant qualifications and training, he has a Diploma in computer applications. He was a recipient of the Commonwealth Scholarship for his Ph.D. degree program.

After his National Youth Service in April 1993, he immediately took up appointment as a Credit Officer in the former ABC Merchant Bank Limited, where he rose to Head the departments of Administration/Human Resources/Corporate Planning. In February 1998, he moved his career to one of the major indigenous oil & gas companies – Baywood Continental Limited as Manager Finance & Administration.

In May 2000, he was assigned more challenging responsibilities to co-ordinate all branch finance and admin functions, and in August 1, 2002 he was elevated to the position of AGM - Assistant General Manager - Finance/Accounts/Administration.

PROJECT EXPERIENCE

During his 8-years working Experience with Baywood Continental Limited from 1998 to 2005, Dr. Igboejesi actively participated in the successful tendering, execution and management of the following contracts worth several millions of dollars and naira;

1. SPDC Major Overhaul of Rotating Equipment Services 1998-1999
2. SPDC Swamp Flow Line Construction and Replacement Campaign 1999-2004
3. Adax Petroleum – EPC of Izombe Buffer Storage Tank Construction 2003-2004
4. PPMC/NNPC – Ejigbo Tank 11 Rehabilitation & Upgrade 2001-2002
5. SPDC – Emergency Pipeline Repairs and Manifold Rehabilitation 2003-2005
6. NPDC/NNPC – EPC of Oredo Flow Station Relocation and Upgrade Project 2003
7. CHEVRON – EPC Tank Rehabilitation Project 2005

Having gained over 6-years in banking and 8-years in the oil & gas services, Dr. Igboejesi joined Bendy Petroleum & Gas Services Limited in January 2006 as MD/Chief Executive Officer.

A dynamic, intelligent, and versatile team player, Dr. Igboejesi has groomed various businesses in Real Estate, Mass Transport, Communication, Equipment Lease and Agriculture.

In January 2015, he promoted and joined Bajaj Oil & Gas Limited as the Chairman/CEO. He is happily married with children.

COURSES ATTENDED

Among other local and oversea training, he attended the year 2004 “Financial Planning & Controls Seminar for Oil & Gas Managers” by Cox School of Business, Southern Methodist University, Dallas, Texas, USA.

Address

“BAJEJ PLACE”, KM 3 by Enerco Junction, Igbo-Etche Road from Eleme Junction, Rumukurushi, Port Harcourt, Rivers State, Nigeria.
